VISION

- **The "2047 Vision" for India's economy is to transform the country into a developed nation with a \$30 trillion GDP and a per capita income of \$18,000 by its 100th year of independence in 2047.**

STRATEGIC PILLARS

“ A lot of industries say this (a product) is 70% indigenous, but actually... it is not.

You have to be truthful about this. Because it is related to

matters of security... **Cost competitiveness is not for selling to the Indian armed forces.** You have to be cost-competitive to compete in the foreign market

—CDS Gen Anil Chauhan
