ELITE ACTION GROUP
FOR DRUG LAW ENFORCEMENT

Wat Tham Krabok-Buddhist temple in Saraburi Province, Thailand, renowned for its extreme, drug and alcohol rehabilitation program. Founded in 1957, it is nicknamed the "Vomit Temple" due to its rigorous physical detoxification using emetic herbal medicines followed by sacred vows.

Drug rehabilitation methods can be harrowing.

– Dr. G. Shreekumar Menon

“Love Led Her to Drugs… Drugs Led Her to Jail” - A Case Study

- Her name is XXXXXXX, a BBM student. The daughter of a billionaire businessman in Bengaluru, living in a prestigious locality like Banashankari, XXXXXXX has now given a massive shock to her family.
- While studying in college, she falls in love. In the name of love, that scoundrel turns her into a drug addict. Her boyfriend then transforms her from an addict into a drug peddler. This billionaire’s daughter reached a point where she was supplying drugs to the students of her own college.
- Finally, as the saying goes, "you reap what you sow," XXXXXXX has now become a guest of the police...

<u>This story must be viewed from two perspectives</u>:

- First, some young women like XXXXXXX become drug addicts for the sake of luxury or habit. Later, when they run out of money to buy drugs, they turn into drug peddlers because suppliers lure them with the promise of free drugs for personal use if they sell for them.
- Second, these drug peddler boys first trap girls in their web and get them addicted to drugs. While the girls are under the influence of the drugs, they record nude videos of them. They then use these to blackmail the girls into becoming drug peddlers.

IF YOU HAD TO NAME TWO ENEMIES WITHIN INDIA, THE FIRST WOULD BE **TERRORISTS** AND THE SECOND WOULD BE THESE **DRUG DEALERS**...

Message No: 622 (1908 Complaint)

A complaint has been received regarding three pan shops operating near *ZPHS Boys School, Badepally, in the Signal Gadda area. Jadcherla, Mahabubnagar district.
One of the shops has been identified as Paradise Pan Shop .
It is reported that these shops are selling Cigarettes and other tobacco products to school children.
The shops are located near the school premises. The complainant has requested that necessary action be taken against the said shops to safeguard the health and welfare of the students."

Acting on the complaint received through Toll Free No.1908, the EAGLE Force conducted surveillance on three pan shops near ZPHS Boys School, Badepally, Jadcherla, Mahabubnagar district and caught them red-handed selling cigarettes and gutka to juveniles within 100 yards of the school.

Cases were registered on three pan shop owners under the COTP Act and JJ Act in coordination with local police in Jadcherla who are selling Tobacco Products to the school going children.

Message No: 661 (1908 Complaint)

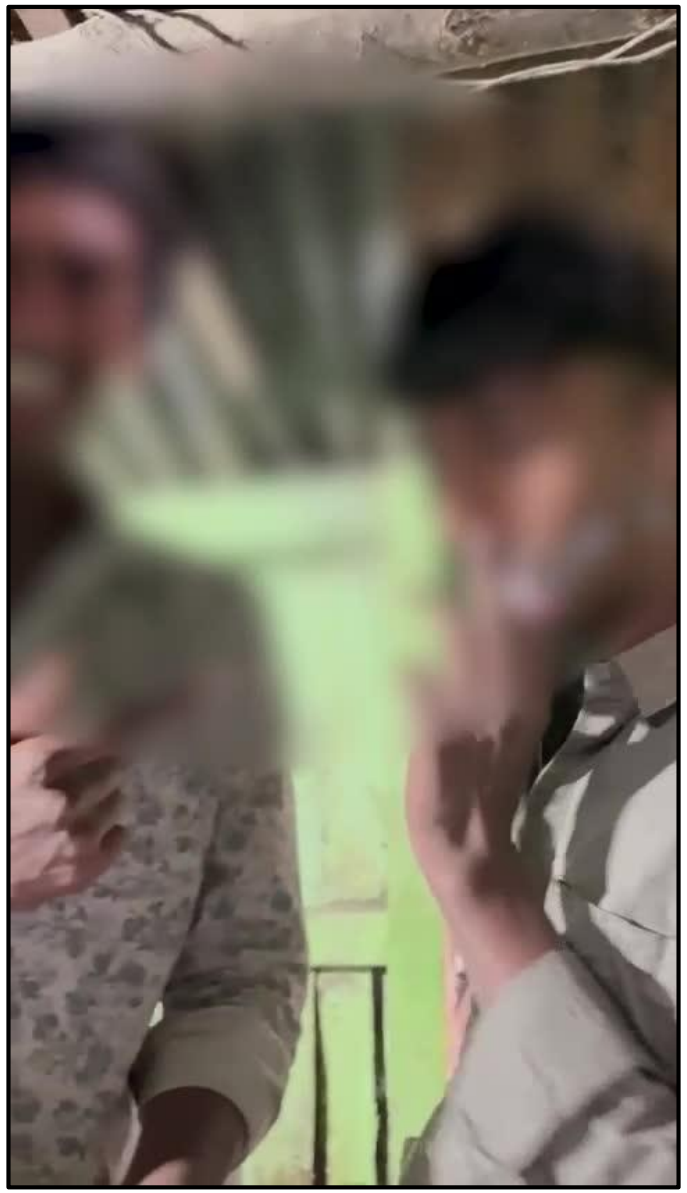

Acting upon a complaint received regarding students of Telangana Model School & Junior College, Shankarpally (Classes 9, 10, and Intermediate), it has been reported that some students are smoking cigarettes and using other tobacco products. The school has a total strength of 630 students.

The EAGLE Force conducted raids on pan shops, kirana stores, and tea stalls located within a 100-yard radius of educational institutions under the Shankarpally Police Station limits of the Future City Commissionerate. During the operation, "Mam Pan Shop" and "Bhupal Tea Stall & Kirana" were found selling tobacco products to school children. About seven students of Telangana Model School & Junior College, Shankarpally, were identified and cases were registered under COTP Act & JJ Act.

EAGLE FORCE

- Cases were registered on two pan shops (Mam Pan shop & Bhupal tea stall) under the COTPA Act and JJ Act in coordination with local police.

NALGONDA E-CIGARETTES INCIDENT

- **Not to loose heart RNCC Nalgonda contacted 218 Principals and Headmasters of Model High Schools.**

- Among them, **One Principal of Penchkalpadu High School, Sri Aashirvadam** showed courage and spoke up regarding 4 students of class IX who were indulging in smoking e-Cigarettes.

NALGONDA E-CIGARETTES INCIDENT

Education Department:

It is observed that, when the police officials visited the schools of the area, some of the teachers informing them some 10th class students consuming ganza. It is also noticed that in some schools students using electric cigarettes. These incidents shows that the Anti Drug Committees are not functioning properly. Hence the Dist.

- Based on the information, the RNCC Nalgonda of EAGLE Force enquired and….
- Spoke to all the SHOs of Nalgonda; got a Nil Reply.
- Spoke to 31 MEOs and DEOs; got a NIL reply.

NALGONDA E-CIGARETTES INCIDENT

- Further enquiry and Technical analysis it is found that the e-Cigarettes were procured from **VAPEX India** (Lost Mary Brand). **Following is the District-wise purchases in Telangana**

- The detailed report is sent to Units for taking action on **VAPEX**.

Enforcement Drives in Identified Vulnerable Colleges & Universities

Raids were conducted at engineering colleges and universities based on credible information received through the EAGLE Force toll-free number 1908. The suspected students were tested using testing kits to confirm drug consumption. Some of the institutes where raids were conducted are mentioned herewith.

- **Symbiosis College**: Information led to the apprehension of 25 students consuming OG Weed. Conducted counselling sessions to these students and their parents to address the issue and prevent future occurrences.
- **Osmania Medical College, Hyd**: Six junior doctors were caught while consuming weed. A formal letter has been written to the Medical Council of India (MCI) to take appropriate action against them.
- **Guru Nanak Engineering College**: Fifteen students were caught while consuming ganja. Measures has been taken to counsel and rehabilitate them.
- **Culinary Academy of India, Kundanbagh**: Four students tested positive for ganja. Immediate actions were taken to address the situation and inform the institution.
- **Chaitanya Bharathi Institute of Technology (CBIT):** One student tested positive for ganja. The institution has been formally notified and appropriate action has been taken.
- **IIIT Basara**: Some students were found consuming Ganja and necessary action has been taken.
- **JNTU Jogipet**: Three individuals were caught while consuming ganja. EAGLE FORCE TELANGANA is working closely with the institute to address the issue and prevent future occurrences.

- **NIT Trichy**: A boy who dropped out in his third year due to drug abuse was apprehended. His father retired from government service this year, and his mother became bedridden on learning about her son's condition. The boy has now promised to undergo de-addiction and rehabilitation.

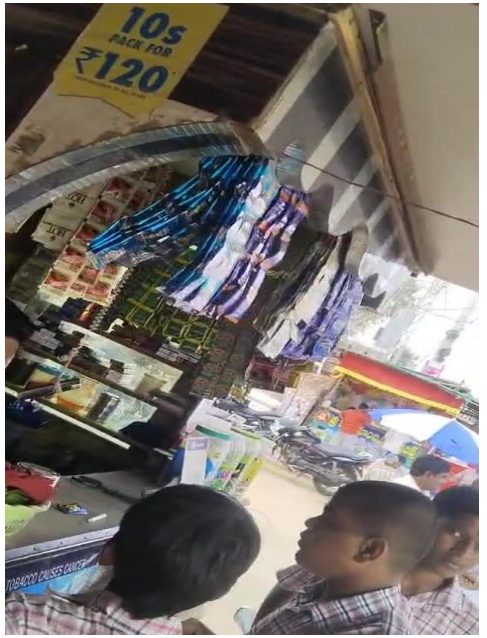

- **E-Cigarettes**: Accused namely Ahmed and Jaffar were apprehended for selling E-Cigarettes to students under code names. Students from reputed schools & Colleges from Hyderabad were identified as consumers. This highlights the pervasive issue of illegal e-cigarette sales targeting young students.

- **Medicity Medical College**: Following the apprehension of Ganja peddler Arfath Ahmed Khan, over 80 consumers were identified, including 26 medical students. Parents were summoned and counselling was conducted in the presence of the Principal. A case was registered and, on request, the students were referred to de-addiction centres for treatment and rehabilitation.

- **Mahendra University:** Some Students were found procuring MDMA by making digital payments to a Nigerian supplier and receiving consignments through Sri Maruthi Courier Services, which were further distributed among fellow students. Investigation revealed involvement of over 50 students in drug consumption. Urine tests conducted on 21 suspected students resulted in 6 testing positive for ganja, handed over to Dundigal Police Station for further legal action.
- **Telangana Model High School, Penchikalpahad:** A few students were found to be involved in smoking e-cigarettes with the assistance of a school dropout. In this regard, the Principal of the school extended full cooperation to the EAGLE Force and counselling given to the said students. Subsequently, raids were conducted on nearby pan shops and kirana stores in and around the school premises with the support of the local police in Nalgonda.

- **Nalsar University:** Information revealed involvement of certain hostel students in consumption and peddling of narcotic substances, with around 17 students identified as suspects. In a road accident near the NALSAR Late Night Tea Stall, one student died and was found in possession of marijuana; enquiry confirmed prior consumption of ganja and alcohol. In another incident, a student who had consumed marijuana and alcohol died, though the cause of death was recorded as food choking.
- **Govt Dental College, Osmania:** One final-year BDS student of Government Dental College (Osmania) was apprehended upon receipt of a complaint through the toll-free number 1908. He tested positive for THC. At his request, he was admitted to a de-addiction centre to avail immunity from prosecution, as per the orders of the Hon'ble Court, through the Sultan Bazar Police Station.
- **ZPHS BOYS SCHOOL, JADCHERLA, MAHABOOB NAGAR DISTRICT:** A complaint was received through the EAGLE Force toll-free number stating that three pan shops operating near a school were selling cigarettes and other tobacco products to schoolchildren. Acting on this information, three pan shop owners were apprehended and handed over to the Jadcherla Police Station for necessary action.

DE-ADDICTION & REHABILITATION PROGRAM

- The EAGLE FORCE TELANGANA in collaboration with Telangana Medial & Health Department and DEPwD, SC & TGP, are sending the drug addicted persons to De-addiction and Rehabilitations Centers for their recovery.
- As of now, there are **36-De-Addiction Centres in Telangana (Organized by State Govt.)** and **14-De-addiction/Rehabilitation Centres (organized by NGOs)** under the control of Central Govt., as part of **"Nasha Mukt Bharat Abhiyan" scheme**

MEDICAL FINDINGS AND HEALTH IMPACT

EAGLE FORCE TELANGANA has been consistently engaged in curbing the menace of adulterated toddy (Kalthi Kallu) and narcotic substances across Telangana. The seriousness of the issue came to the fore following two alarming incidents in Kamareddy District. On 08.04.2025, more than 75 persons from Nasrullabad Mandal were hospitalized after consuming adulterated toddy. On 09.04.2025, over 20 persons from Gandhari Mandal were again hospitalized after consuming similar adulterated toddy, clearly indicating the impunity with which offenders were operating.

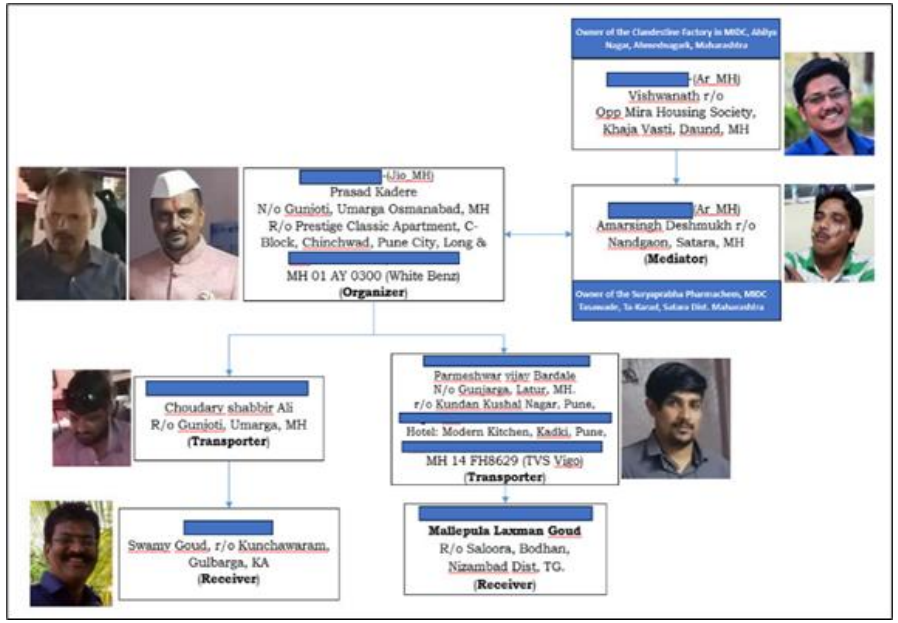

In response, EAGLE FORCE TELANGANA officials visited hospitals in Kamareddy and Nizamabad, collected blood and urine samples from the affected persons, and subjected them to scientific examination. All samples tested positive for Benzodiazepines. It was established that Alprazolam and Diazepam, psychotropic substances prohibited under the NDPS Act, 1985, were being mixed with toddy. Benzodiazepines are highly addictive in nature, cause severe dependence, and pose serious health risks, including long-term neurological damage.

Acting upon these findings, EAGLE FORCE TELANGANA, in coordination with local police, conducted targeted raids on toddy shops involved in adulteration. As a result, two cases were registered, four accused persons were arrested, and 1,087 grams of Alprazolam was seized. Field testing of toddy samples confirmed the presence of Benzodiazepines. The cases were registered vide Cr.No.39/2025 at PS Nasrullabad and Cr.No.68/2025 at PS Gandhari under relevant provisions of the NDPS Act and Telangana State Excise Act. Preliminary investigation revealed that the accused possessed only toddy tapping licences and were illegally operating toddy depots/compounds without authorization.

IDENTIFICATION OF MANUFACTURING AND SUPPLY NETWORK

Parallel to field-level action, EAGLE FORCE TELANGANA focused on dismantling the source of supply. Joint teams of EAGLE FORCE TELANGANA, Intelligence Dept. and district police identified seven kingpins involved in the manufacture and inter-district supply of Alprazolam used for toddy adulteration. Sustained surveillance and technical analysis were carried out to track illegal manufacturing units and transportation routes across state borders.

ZAHEERABAD CASE

This sustained effort led to the detection of a major case at Zaheerabad Police Station, Sangareddy District, vide Cr.No.147/2025 under the NDPS Act. In this case, 770 grams of Alprazolam, ₹7.50 lakhs in cash and a Hyundai Creta vehicle were seized. Investigation revealed that the seized drug was manufactured in a clandestine laboratory located in Ahilyanagar District, Maharashtra, and the intelligence was shared with the Maharashtra Police for further action.

Accident reveals ganja abuse in college; 20 under scanner

Srinath.vudali@timesofindia.com

Hyderabad: A fatal road accident in Feb has led to Telangana's EAGLE force unravelling a larger case of drug abuse on the campus of a premier institute in Hyderabad. At least 20 students from this institution are under the police scanner, for alleged violation of the NDPS Act.

Police have written to college management informing them about the drug menace and seeking their cooperation in rehabilitating the students.

The road accident in Feb was reported from Shamirpet, when five students from the institute were returning from a food court on two different bikes. "One bike with three boys hit a transport vehicle. One of them died, while two others escaped unharmed," said an EAGLE official, adding, "Recently, we got to know that all five students were under the influence and that the deceased was also in possession of ganja. The weed went missing from him after the accident."

Following a tip-off from a college insider, police initially took two students, who were present at the time of the accident, into custody and made them undergo a drug test. "One of them tested positive for ganja and the other tested negative. After counselling the abuser, it was found that students bought ganja from another student in the college," said an EAGLE official.

Based on this, cops started an investigation but kept it discreet to avoid creating panic on the campus. During the preliminary probe, they found that several students were abusing ganja in and around the institute premises.

"We subsequently summoned three more students, but all tested negative. At least 14 others — including one from Bangladesh and one from Nepal — whose names came up during the probe are still at large. We are trying to track them down," the investigator added.

'Anti-drug committees in colleges do not cooperate'

Cops, meanwhile, rued the lack of cooperation from anti-drug committees (ADC) in colleges — private and central universities — on such matters. "They don't share any information about drug abuse on campuses due to fear of the institute's reputation taking a hit. We have told college managements on numerous occasions that our intention is to nab the drug supplier. We want to help rehabilitate the abusers so that they can quit the addiction and lead better lives," said an EAGLE official, adding, "Colleges must realise they are putting students' lives at risk by withholding information."

Along with the current case, cops are probing the death of a student that occurred on the same campus in Oct 2025. While there was no police complaint as the management claimed the student died after choking on food, cops now suspect it could be a case of drug abuse. "We are probing to ascertain what the real cause of death was," an official said.

Criminal Antecedents of Smt. Kalapathi Nithu Bai – Habitual Ganja Peddler and Narcotic Drug Trafficker

Smt.KalapathiNithuBai, W/o Kalapathi Munnu Singh @ Shankar Singh, aged about 48 years, resident of Lodha Basthi, Nanakramguda, Serilingampally, Ranga Reddy District was found to be habitually involved in the peddling of Ganja within thelimits of Gachibowli Police Station, CyberabadCommissionerate.

Kalapathi Nithu Bai has been repeatedly involved in illegal ganja trafficking activities and has a long criminal history under the NDPS Act and Prohibition & Excise Act. Despite several arrests and prosecutions, she continued to indulge in Narcotic Drug peddling, posing a serious threat to public order and the well-being of society, particularly the youth. She is involved in 20 previouscases registered under theNDPS Act and ExciseAct between 2017 and 2024.

Previous Cases:

- She was lodged in Special Prison Women, Chenchalguda, Hyderabad from 13.06.2024 and released from detention on the order dtd.17.10.2024 of the Hon'ble High Court in WP No.21653 of 2024 with a plea "Innocent until proven guilty" and opined that the impugned order of detentionappears to be premature and possibly unnecessary. Further, the Hon'ble High Court also contended that the impugned detention order appears to be preventive in nature based on the possibility of future offences which violatesthe detenue's right to liberty as guaranteed by Article 21 of the Constitution.
- Further, the Hon'ble High Court opined that the order of Preventive Detention is not justifiable or satisfactory and thus becomes difficult to uphold the same and the impugned detentionorder dated 12.06.2024is liable to be and is accordingly set-aside/quashed.
- Aggrieved by the said judgment of the Hon'bleHigh Court, the Government of Telangana filed a special leave petition before the Hon'ble SupremeCourt and received order dtd.22.08.2025 with a view that "on carefully perusing the material placed on record, we see no ground to interfere with the impugned judgment dated 17.10.2024, passed by the Hon'ble High Court of Telangana at Hyderabad and the Special Leave Petition is accordingly dismissed.

EAGLE Force apprehended 47 consumers who had come tothe residence of Nithu Bai to purchaseganja. Some of them became suspicious and attempted to flee, as there were only four EAGLE Force personnel at the beginning of the operation. However, with the timely assistance of the local police, the situation was effectively brought under control and handled successfully.

ESSENTIAL BRAIN AREAS FOR LIE SUSTAINING FUNCTION

BASAL GANGUA

- POSITIVE MOTIVATION
- PLEASURABLE EFFECTS OF HEALTHY ACTIVITIES
- FORMATIONS OF ROUTINES AND HABITS
- REWARD CIRCUIT

EXTENDED AMYGDALA

- Stress feeling - Anxiety, Irritability, Unease
- Characterize withdrawal after Drug high fades away
- Urges the person to seek Drug again

THIS CIRCUIT BECOMES INCREASINGLY SENSITIVE

- Substance abuse - Temporary relief from this discomfort rather than get a high

PREFONTAL CORTEX
Think, Plan, Solve Problems

- Self Control over impulses
- Last part to mature
- Make teens vulnerable
- Shifting balance between this circuit and other two circuits
- Seeks Drugs compulsively with reduced impulse control
