A. Administrative Concern/Challenge:

i) Admissions: Meager, Hard to find the way out often

Solution: Government initiation – Public funded like: Campaign, Incentives – Scholarships, any other Govt. program

A. Administrative Concern/Challenge:

ii) Staff – Ratio of Students: Single faculty departments.

Solution: Atleast two staff members as per work load distribution.

B. Academic Concern/Challenges:

- i) Almanac: University Vs Administration –
Variation from one university to
other university**

Solution: Common Almanac to be adopted.

B. Academic Concern/Challenges:

ii) Semester System / Admissions system –

I year Lapse

Solution: As per the common Almanac

C. Curricular Concern/Challenges:

i) Syllabi: University

Solution: Decentralization while framing the syllabi – Needs of the Learner.

C. Curricular Concern/Challenges:

ii) Lack of minimum level of learning among students

Solution: Activity based – project based leaning – faculty training.

THANK YOU ALL
