Strength of Irkode Gram Panchayat

- ✓ Empowered Gram Panchayat : Financially as well as institutionally
- ✓ More awareness in Village due to several interventions
- ✓ Focus on generating sustainable development.
- ✓ Convergence of schemes.

Ranganayaka Sagar (Kaleshwaram Project)

Key issues/Challenges

- Permanent structure for PHC Sub center and Aanganwadi. Further upgradation to PHC
- More focus is needed towards sustainable farming.
- Higher education and retention of youth needs to be looked into.
- Lack of financial literacy.
- No ATM and no co-operatives.
- Large size of aging population.
- Low mechanization of agriculture.

Thank You for the memories
