SDG GOAL

3

TIMELINE OF THE VILLAGE

18th
century

- Establishment of Village and Karimnagar was named after one of 7 sons of Nizam Osman Ali Khan of Hyderabad
- Hanuman Temple and Venkatesh Temple in existence since more than 500 years

1940

- First radio came to village

1950-1952

- First bus service started
- Gram panchayat came into existence ; **Veeraiya** was first **non-elected sarpanch**
- Establishment of primary school(**ZPHS**): telugu-medium
- Revenue system was started

1969 -
1975

- Electricity came to village (1969).
- First Pucca house (RCC structure) in village (1975).

1980-1985

- First hand pump and bore well (1980)
- SRSP canal was built (1983)
- First elected gram panchayat (**Ramachandra Rao**) - 1984
- Branch of Telangana Gramin Bank was established
- First Television (B&W) came to village

1990-1991

- Primary Health Sub centre was opened
- Anganwadi centre was established

1992-93

- Landline introduced
- Social forestry was established.

1995

- Gurukul was established.
- First mobile phone bought in village

1998-
2000

- First SHG was formed (1998)
- Gobar gas was used for first time (2000)
- First LPG connection in village (2000)

2004-
2009

- Rice mill was established.
- Water tank was build (2005).
- MGNREGA was implemented in the village (2006).
- Cotton mill and first ASHA worker from the village(2009).

2011-
2016

- Digitization of land record (2011).
- Stone quarry & Over head water tank was build in village (2013).
- Model school & Kasturba residential school started (2014).
- Church was constructed.

2017-
2019

- Masjid & Godown for Paddy storage was constructed (2017).
- Mission Bhagirathi started (2017).
- TSW sainik school started for the welfare of SC community (2018).
- RCC structure of GP building was constructed.

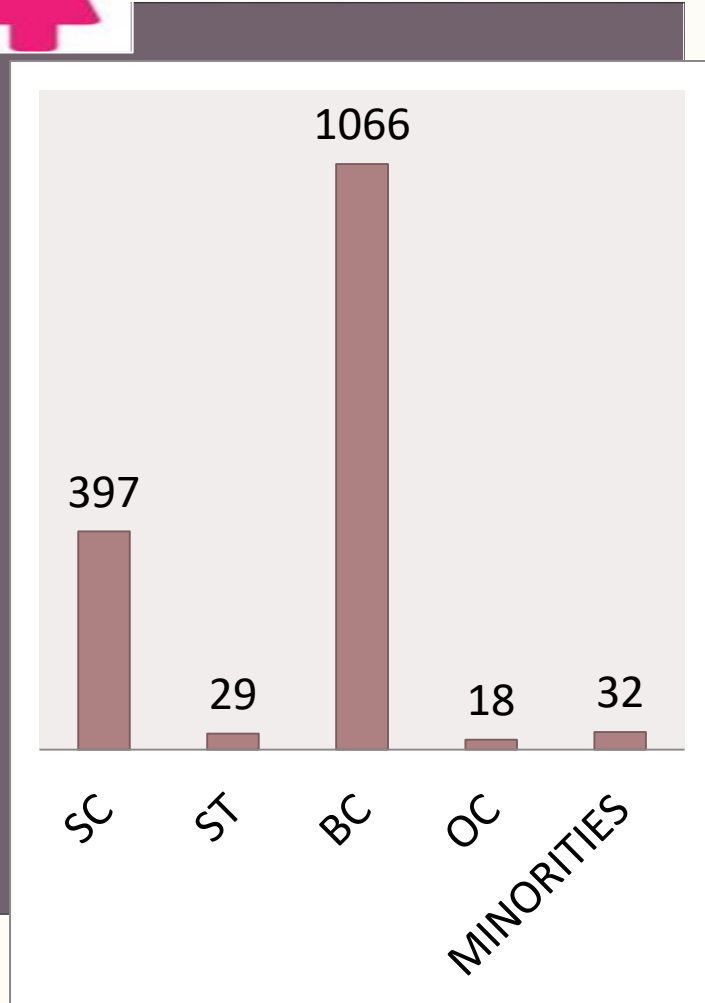

DEMOGRAPHIC PROFILE OF THE VILLAGE

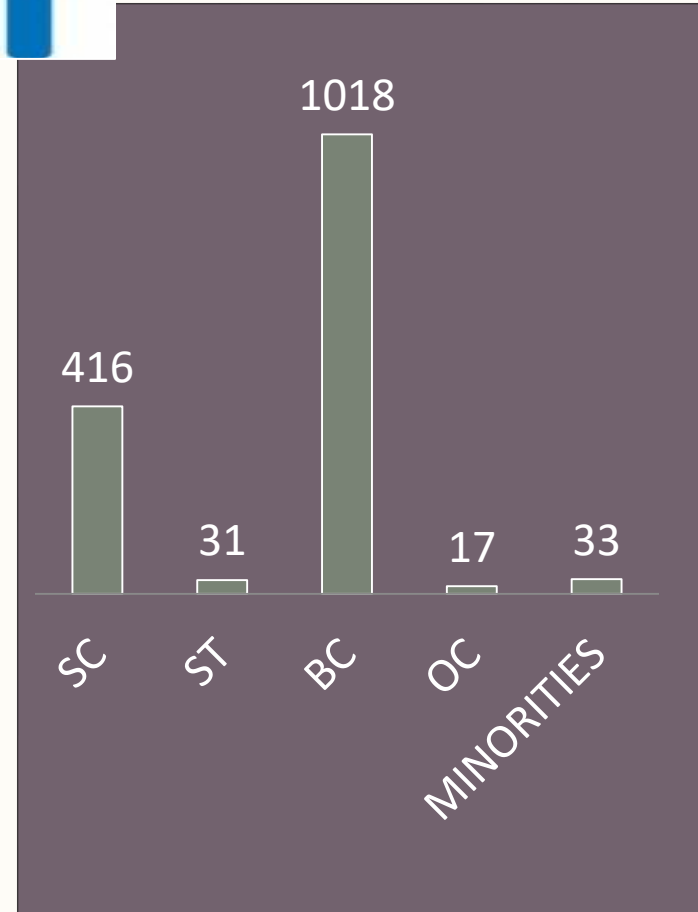

TOTAL POPULATION: 2995

1510

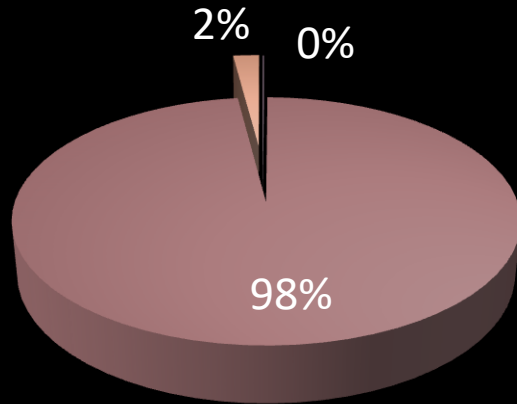

1485

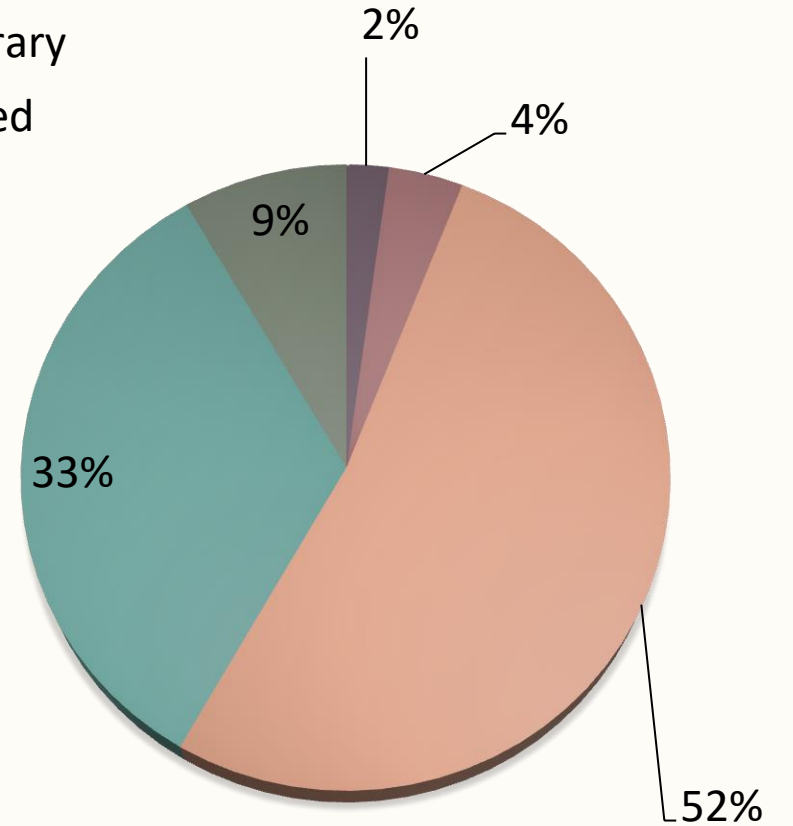

RELIGION

CHRISTIANS HINDUS MUSLIMS

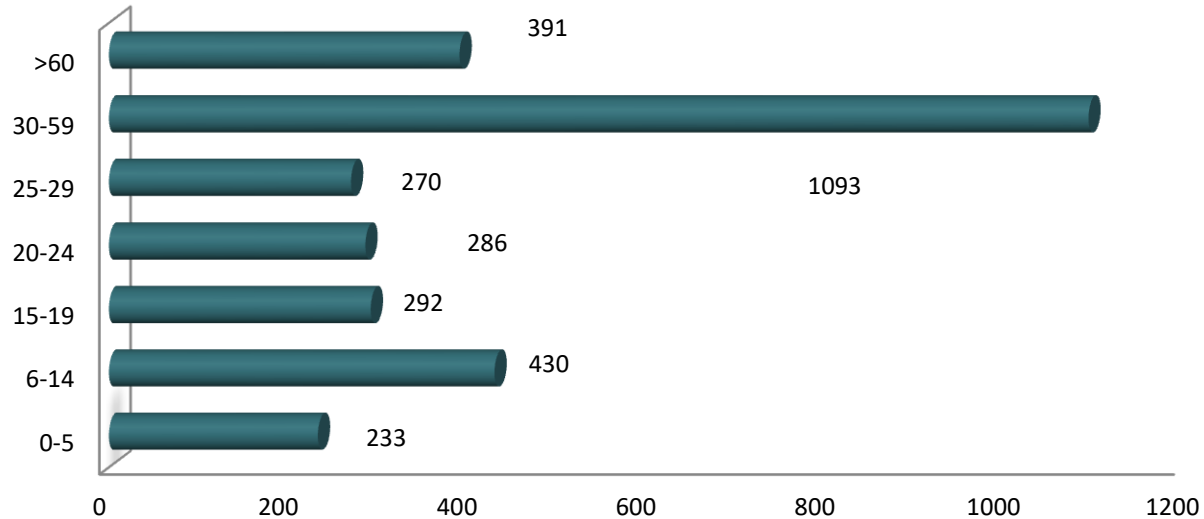

TYPES OF HOUSES

Rent

AGE DISTRIBUTION

OCCUPATION

- Agricultural labours
- Daily wage labour
- Business
- Beedi workers
- Weavers
- Fisherman
- Drivers
- Students
- Unemployed
- Others
- Housewife
- NRI

The background of the slide is a light cream color with a pattern of scattered, irregular dots in two colors: a muted orange and a dark purple. The dots are of various sizes and are distributed across the entire page, with some clusters and some sparse areas.

INFRASTRUCTURE & CIVIC AMENITIES

FACILITIES

CURRENT STATUS

CHALLENGES/ INTERVENTIONS

PDS centers

- 2 fair price shops in the village
- Bi-monthly distribution
- Biometric-based
- 70% commission to ration shop owners
- FSC(808) + AFSC(73)
- Total beneficiaries: 2509

Electricity

- Power sub-station (420 kW)
- 3 phase power supply with 24/7 available.
- 256(CFL) street lights in the village - well lit during night

- Report broken/fallen lines in the village to electricity department
- Hanging wires/fallen lines which can be accident-prone

Roads, Public transport & Institutions

- GP Building with adequate and timely water supply and electricity supply

- Entire village is not covered with roads
- GP is facing funding issues in construction of CC roads

FACILITIES

CURRENT STATUS

CHALLENGES/ INTERVENTIONS

Sanitation

- 3.2 km pucca Drainage system
- Single-use plastic collection place which is to be recycled
- RO Water plant established by granite industry
- Over head water tank, 2 bore well, 38 hand pumps
- 699 Toilets built under Swachh bhara program in every HH and separate toilets for girls at school level

Sports, Recreation & other community facilities

- Single community hall
- No sports or playground facility in village
- Dairy collection center by Karimnagar Milk Producing Ltd. (Private Dairy cooperative)

Post Offices

- Existed prior to 1947
- Small rented place which is shared along with dairy collection centre

Low transactions and involved only in collection of letters

Banks

Telangana/Deccan (earlier) Gramin Bank was relocated to Mandal level in 1990s due to low transaction volume in the area

Agriculture

- Godowns- Paddy and Maize
- Rice Mill

ECONOMIC ASSISTANCE

SDG #1,3,4,5

CURRENT STATUS

- Financial assistance to Beedi workers :
 - 40 HH in entire village ; mainly undertaken by women (11)
 - Raw material for making of Beedi provided by the companies
 - Beedi worker pension of ₹2000/month from state
- 3% interest loans to SHG members
- Stree Nidhi Bank and Bank loans via SHG
- Kalyan Lakshmi/Shadi Mubarak – financial assistance to social welfare groups for marriage of the girls
- Poverty alleviation scheme - Tailoring taken up by 10 women in the village

KEY ISSUES/CHALLENGES

- Associated health problems with Beedi-making process
- Centre Schemes related to insurance (PMJJY,APY etc.) not implemented on ground

PROPOSED PLAN

- Implement 'Ayushman Bharat' in the state
- Cover the health problems associated with Beedi making process under Arogya Shree
- Create more awareness and look into implementation issues

1 NO
POVERTY

3 GOOD HEALTH
AND WELL-BEING

4 QUALITY
EDUCATION

5 GENDER
EQUALITY

The background of the slide is a light cream color with a pattern of scattered, irregular dots in shades of orange and purple. On the right side, there is a dark purple rectangular box with a white border. Inside this box, the text 'SELF HELP GROUPS' is written in a white, serif, all-caps font. Below the title, there is a short white horizontal line, and further down, the text 'SDG #1,3,4,5' is written in a smaller, white, sans-serif font.

SELF HELP GROUPS

SDG #1,3,4,5

VO/SHG HEAD (2)

GROUP MEMBERS (10-15
PER GROUP)

Bank loans in last 2 years

SHG	₹34,070,000
Stree Nidhi	₹8,862,000

CURRENT STATUS

- OPERATIONAL SINCE 1998
- 71 GROUPS
- AVERAGE BANK LOAN SIZE : ₹5-7 lacs
- SERP – Multidimensional Poverty Elimination via Community Participation based approach
- INDIRA KRANTHI PATHAM – statewide women’s self help movement - All BPL HH starting from poorest are its target group
- LOANS FROM – TELANGANA (DECCAN) GRAMIN BANK
- GROUP COHERENCE – No DEFAULT yet
- ASSISTANCE in:
 - Selling Paddy to FCI (since 2012) – 1 quintal : ₹32 commission
 - Swa-Shakti College under DRDA (Karimnagar) - provides training in stitching/ plumbing/ computer etc. and assured placement of ₹8,000-15,000 per month

KEY ISSUES/CHALLENGES

Salary of SHG Heads is nominal (₹3000/month) - expected salary of up to ₹10,000

PROPOSED PLAN

No provision of salary in SHGs by Centre/state government. It was launched as a self-fulfilling scheme to promote and develop community cohesion. However, after having delivered services for a certain set of years, the incentives can be linked to the performance of the SHG leaders.

1 NO
POVERTY

3 GOOD HEALTH
AND WELL-BEING

4 QUALITY
EDUCATION

5 GENDER
EQUALITY

PUBLIC DISTRIBUTION SYSTEM

SDG #1,2

CURRENT STATUS

- Bi-monthly Distribution by 2 shops
- Biometric based distribution
- Total beneficiaries: 2509
- FSC(808) and AFSC(73)
- 1 member is eligible for 6 kg paddy on FSC
- Per card allocation : 30 kg on FSC
- Per card allocation for AFSC: 35 kg

KEY ISSUES/CHALLENGES

- Distribution of Kerosene, Sugar and Dal has stopped
- People are using LPG due to unavailability of kerosene

1 NO
POVERTY

2 ZERO
HUNGER

ANGANWADI CENTERS

SDG #1,3,4,5

CURRENT STATUS

2 Centers

Responsibilities: Pre-schooling and ICDS implementation

Total children covered : 90

0-3 years (45) + 3-5 years (45)

15 pregnant ladies identified in the village currently

Government per-day meal expenditure per child: ₹6

Government per-day meal expenditure on each pregnant women:

₹15

KEY ISSUES/CHALLENGES

No fruits being provided under ICDS meal to either the children or pregnant women

PROPOSED PLAN

- Provide appropriate infrastructure for Anganwadis
- Scope of improvement in terms of food resources

2 ZERO HUNGER

3 GOOD HEALTH AND WELL-BEING

4 QUALITY EDUCATION

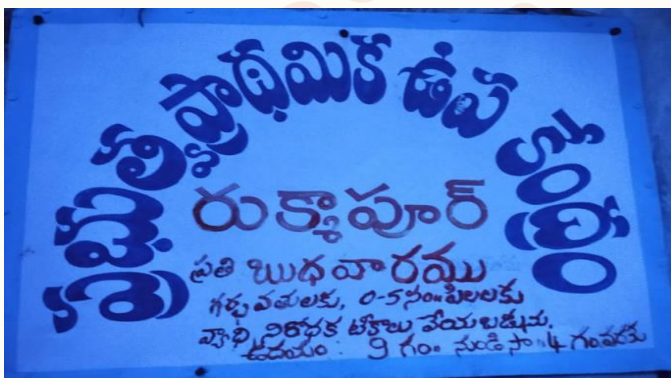

5 GENDER EQUALITY

HEALTH

SDG # 3,5

CURRENT STATUS

- **ASHA Workers:** 3
- Nearest PHC: Choppadandi
- Meeting every month with PHC
- **Ambulance service:** 102 (pregnant women), 104 (emergency cases), 108 (medicine delivery); 100% institutional delivery
- Seasonal Health medical camps
- **Rashtriya Bal Swasthya Karyakram**
- **KCR Kits** to pregnant women
- Awareness camps organised (Anaemia, institutional delivery, family planning, hygiene and nutrition)
- **Arogya Shree** being effectively used by the BPL families
- **CM release fund** used by government employees and health loans taken up using SHGs by others

SOCIAL SECURITY SYTEM

- Registered Old age ASARA Pensioners : 450 including Disabled (25)
- DBT > Biometric-based and Aadhar verified
- List of the beneficiaries is prepared by the GP

Health Profile of the village

# ANC registration	20
# private deliveries	5
# Institutional (Govt.) deliveries	9
# live births	14
# Full immunization	11
# FP cases	3
# TB cases	1

KEY ISSUES/CHALLENGES

- Son-meta preference.
- Preference for C-section type of deliveries.
- Salary of ASHA workers not fixed.
- Government employees and school teachers not covered under Arogya Shree.
- Arogya Shree covers specific surgeries only like heart disease etc.

PROPOSED PLAN

- Implement 'Ayushman Bharat' in the state
- Spectrum of diseases covered under Arogya Shree should be increased

3 GOOD HEALTH AND WELL-BEING

5 GENDER EQUALITY

EDUCATION

SDG # 4

CURRENT STATUS

- 4 government schools (ZPHS, MODEL SCHOOL and KASTURBA RESIDENTIAL SCHOOL) including residential Sainik school for social welfare
- 70% reservation to SCs and 30% to STs/BC & Minorities for admission in Sainik School
- Regular Mid-day meal program
- Literacy rate: 67%
- Scholarship to students
- Low dropout rate
- Good Infrastructure
- No gender bias
- Clean toilets and drinking water

KEY ISSUES/CHALLENGES

- Preference for Private Schools
- Inadequate infrastructure in terms of insufficient classrooms in ZPHS

PROPOSED PLAN

- Convert curriculum in Sainik school to CBSE since orientation is to prepare for UPSC/NDA
- Ensure quality education in government schools to revert back the preference of parents
- Improvement in Nutritional value of Mid-day meal

4 QUALITY EDUCATION

The background of the slide is a light cream color with a pattern of scattered, irregular dots in shades of orange and purple. The dots vary in size and are distributed across the entire page.

CLEAN WATER & SANITATION

SDG # 6,13

CURRENT STATUS

- **Mission Bhagirathi** (under progress)
- **No community dumping yard**
- House to house garbage collection vans are available
- **'ShramDaan'** undertaken on Gandhi Jayanti celebration every year
- **'Jal Shakti Abhiyan'**: construction of water sprinkler irrigation
- **Sockpits** for Rainwater harvesting in 50% of HH

KEY ISSUES/CHALLENGES

- Lack of continuous Power supply
- Delay in MB project
- No underground or closed drainage is present
- Dustbins are not distributed to each household

PROPOSED PLAN

- Improvement in power supply capacity of substation
- Closed drainage system and proper sewage system
- Need of efficient water-logging system

6 CLEAN WATER
AND SANITATION

13 CLIMATE
ACTION

AGRICULTURE, FORESTRY AND HORTICULTURE

SDG # 12,13,14,15

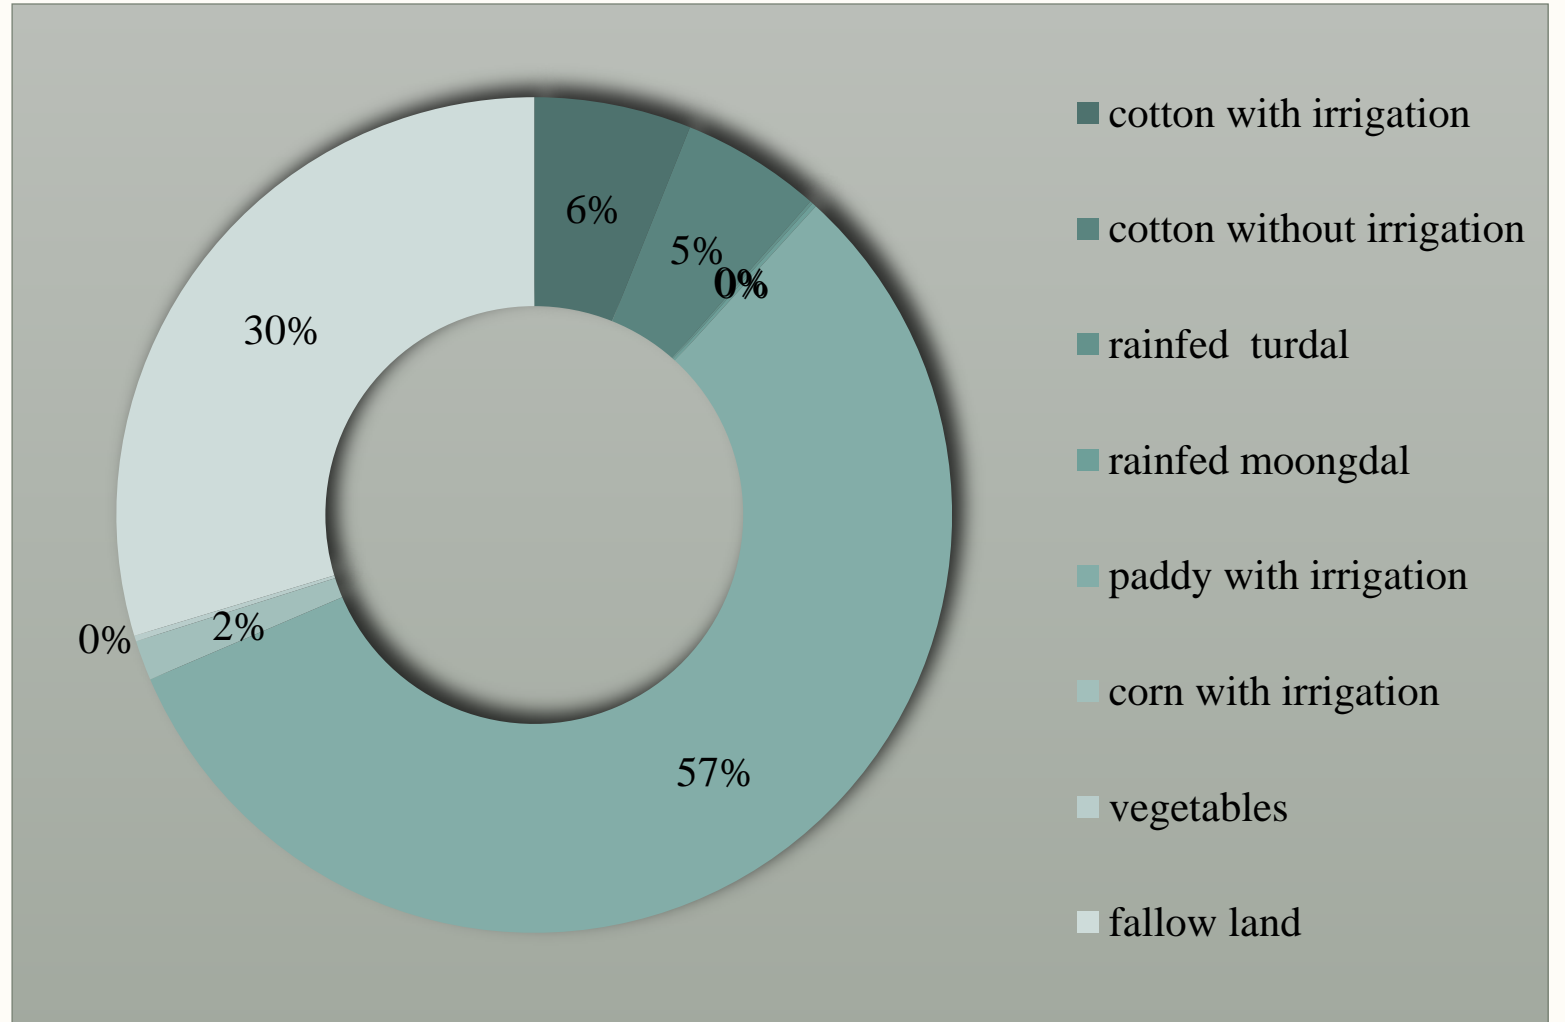

CURRENT STATUS

- Agriculture is the main occupation of people of the village & mostly mechanized.
- *Paddy, Cotton, & Maize* are mostly grown.
- Under **Ryuthu Bandhu**: Rs 5 lac insurance is provided to farmers.
- **PM Fasal Bima Yojana** for crop insurance during Rabi season is available.
- **PM Krishi Vikas Yojana & Paramparagat Krishi Vikas Yojana** for organic farming is also implemented in village.
- Subsidies for seeds and fertilizers is also provided to farmers.
- **200 Soil Health Cards** are distributed.
- RAD (**Rainfed Agriculture Development**) scheme of state is implemented.
- **ZBNF** is practiced successfully only by one farmer over a land of 7 acres.
- Promoting **Horticulture crops** - 6 fruit crops planted under **30 days action plan**.
- **15 HHs** practice **fishing** activities.
- **20 acre** under **State Forestry and Nursery**

CULTIVATED LAND USE

KEY ISSUES/CHALLENGES

- 70%-80% are marginal and small farmers
- Desi cows are not provided.
- There is over exploitation of water for paddy cultivation.
- Under RAD scheme, cards cannot be distributed to many farmers due to small land holdings.

PROPOSED PLAN

- ZBNF should be promoted on large scale as there is already one success story in the village.
- To create awareness among farmers about the proper use of resources.
- Green manure crop Agriculture should be promoted for soil revitalization.

12 RESPONSIBLE
CONSUMPTION
AND PRODUCTION

13 CLIMATE
ACTION

14 LIFE BELOW
WATER

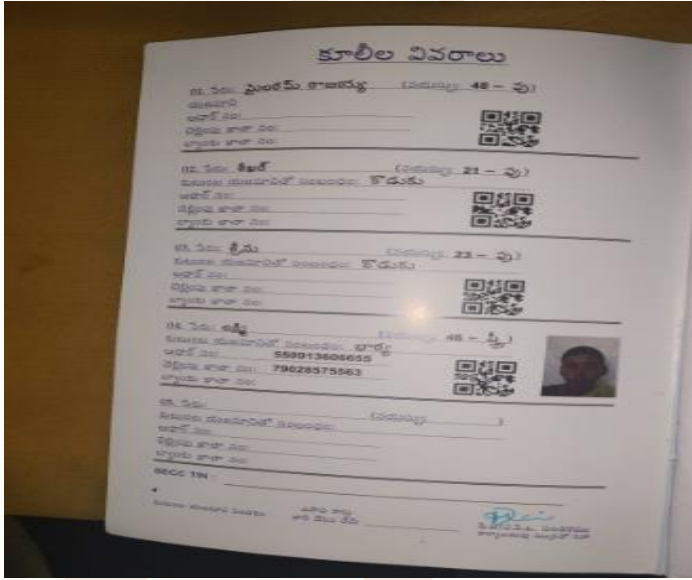

15 LIFE
ON LAND

MGNREGA

SDG # 9

మహాత్మాగాంధీ జాతీయ గ్రామీణ ఉపాధి హామీ పథకం - తెలంగాణ (ఉపాధి హామీ పనుల కోసం దరఖాస్తు ప్ర.స. సంఖ్యం)

14	P. లక్ష్మి	9	6	"	"	1-6
15	L. లక్ష్మి	412	6	"	"	1-6

CURRENT STATUS

- 640 cards (1397 people)
- Disabled: 25 cards (452 people)
- Aadhar-linked DBT in beneficiaries bank accounts
- Rural Water supply and Sanitation under Mission Bhagirathi is attached to this scheme
- Funds allocation for MGNREGA
- Centre : State = 78 : 28
- Labor : Material = 60 : 40
- 40% of the funds allocated to GP: utilised in construction of CC roads, GP building, Anganwadi centres, School toilets etc.

మహాత్మాగాంధీ జాతీయ గ్రామీణ ఉపాధి హామీ పథకం - తెలంగాణ పని కోరుతున్న ధరఖాస్తుకు రకీదు

రకీదు నెం. 07052 గ్రామ పంచాయితీ కోడ్ నెం. పేరు... Rukmangli

తేది... 8-9-19 నాడు అందినది.

గ్రామము (ఆవాసం)... సున్నాపల్లి

మండలం... సున్నాపల్లి

KEY ISSUES/CHALLENGES

- **Diversion of funds** allocated for construction of assets under MGNREGA towards 'Kaleshwaram Project' by the state government
- **Supply-based work** is being provided rather than demand-based
- Lag in transfer of wage payments and fund allocation to GP by the Centre

PROPOSED PLAN

- Pro-active assessment of fund diversion should be undertaken with appropriate action
- Provisions for enhancing quantity and quality of work needs to be introduced
- Appropriate and timely payment of wages and funds to GPs should be done by the Centre

9 INDUSTRY, INNOVATION
AND INFRASTRUCTURE

SWOT ANALYSIS

STRENGTH

- **Government land** with GP
- People are well-aware of the government schemes and using them efficiently
- **Literate** population
- **Ground water table high** - due to sockpits, water resources (3 ponds) and average rainfall
- **Efficient irrigation** system - entire village covered under SRSP canal
- Large population base (3,232)
- Higher number of female population in the village
- **Active Green activities** on large-scale: State forestry & nursery (20 acres) and mass plantation taken up by villagers to have lower GHG emissions
- **Clean drinking water** availability under Mission Bhageerath
- Rashtriya Bal Swasthya Karyakram
- 30 days action plan - cleaning, green activity, electricity

WEAKNESS

- Preference for **private school** education
- Preference for government jobs
- **Poor road facilities**
- **Poor drainage system**
- Lack of **people participation in improving sanitation** and cleanliness in the village - due to which improvement in sanitation levels is slow
- **Over exploitation of water** for paddy cultivation (2000mm used currently and requirement is only 1100mm)

1 NO POVERTY

2 ZERO HUNGER

4 QUALITY EDUCATION

5 GENDER EQUALITY

6 CLEAN WATER AND SANITATION

9 INDUSTRY, INNOVATION AND INFRASTRUCTURE

10 REDUCED INEQUALITIES

11 SUSTAINABLE CITIES AND COMMUNITIES

12 RESPONSIBLE CONSUMPTION AND PRODUCTION

13 CLIMATE ACTION

OPPORTUNITIES

- To promote government school based education
- Creation of unique identity of land records (like **Bhudaar** in AP)
- Optical fibre connectivity in the area to **improve internet facilities** large population is consuming mobile data
- Improvement in **infrastructure** related to better electricity poles
- Participation by government under dairy cooperative society
- Promote **ZBNF** in the village
- Promote Solar energy and other **renewable energy sources**
- Need for **decent work opportunities**

THREATS

- **Landless** community- especially SCs
- **Diversion** of funds - from MGNREGA to Kaleshwaram Project and from PM Awas Yojana to State scheme of Double bedroom
- If sanitation levels don't improve then health of the populace will be affected and non-existence of PHC might be threatening
- **Encroachment** of water resources (reduced from 12 ponds to 3 only) and over exploitation of it could lead to water crisis in future

7 AFFORDABLE AND CLEAN ENERGY

8 DECENT WORK AND ECONOMIC GROWTH

16 PEACE AND JUSTICE STRONG INSTITUTIONS

17 PARTNERSHIPS FOR THE GOALS

3 GOOD HEALTH AND WELL-BEING

10 REDUCED INEQUALITIES

13 CLIMATE ACTION
