- Humanity
- Congenial Atmosphere

Physical Atmosphere(5 S methods),Emotional Atmosphere(Relations)

Congenial Atmosphere:

Physical Atmosphere:

(Follow -5 S methods)

Sorting: Eliminate all unnecessary things. Keep only essentials.

Setting in order(Straightening): Arranging the most frequently used items with easy access.

Sweeping/Shine: Keep the work place clean, tidy and organized.

Standardising: All work places for a particular job shall be identical.

Sustaining the practice: Maintenance and review of the above parameters.

Congenial Atmosphere:(contd.)

Emotional Atmosphere (Relations):

- With Subordinates,

- With Peers,

- With Superiors,

- With Public.

(Listening to the common man)

- 4. Nurturing Ethics & Values in the family
- 5. Cloning with Spl. Reference to human cloning.
- 6. Transformative Justice.
- 7. Pleasure & Pain
- 8. Is technology boon or bane in ethics point of view?

INTRODUCTION

- Name
- Designation
- Department
- Do we require ethics
- Do we require them for getting excellence

Why to have Ethics?

What happens in the absence of Ethics?

Don't we have knowledge on Ethics/Code of Conduct ?

Don't we know what is right/ wrong?

Do we have confidence / courage to follow Ethics?

Do we have congenial atmosphere to follow Ethics?

Do we have any role to play, in bringing such atmosphere?

Am I honest ?

Ethics for One-Self, for one`s advancement.

Ethics for the advancement of society and universe.
