COMPLAINT AGAINST M

SPARES / BARRAGE ROAD MUMBAI - 4 message

Dear Sir.

Good day.

We inform you of our desire to file a complaint against ME
below:

S as

We send our requisition of YANMAR spare to the subject company and they return with full offer for all items and freight charges for complete items delivery up to Cairo / Egypt. We confirm on all offered items and we transfer the required amount as agreed with them 50% of items cost plus freight charges, they send us AWB for complete items, after delay on delivery we check with subject company they inform us that only some items only shipped (not all agreed and confirmed items).

We received the shipment, was 4 kg weight and most of items wrong and part numbers hand writing.

We request the company to return back to us the amount transferred and we will return back the packing as its since they didn't get our confirmation to supply only some parts of agreed items. They refused and calculate hug amount of shipment cost which not actual and not logic.

We will send you all required evidences and conversations with the subject company once you request.

Your kind reply and help highly appreciated.
