www.industries.telangana.gov.in, www.ipass.telangana.gov.in

email : coi.inds@telangana.gov.in, dydir.sw.inds@telangana.gov.in, asst.dir.sw.inds@telangana.gov.in

Industrial Policy

OBJECTIVES :-

- To promote Telangana State as “THE BEST” investment destination
- To Establish “Made in Telangana-Made in India” as a brand with high global recognition
- The industrial policy framework will be driven by the slogan-“In Telangana-Innovate, Incubate, Incorporate”.
- Minimum inspection and maximum facilitation
- Zero graft and zero tolerance to corruption

Strategies

- Land Bank
- Uninterrupted Power Supply
- Allocation of 10% water in all irrigation sources exclusively for industries
- Quality Infrastructure
- Effective Clearance Mechanism
- Incentivisation of Investments
- Thrust Sectors-Sector Specific Policies
- Industrial Corridors

TS-iPASS Act

- TS-IPASS stands for “Telangana State Industrial Project Approval and Self Certification System Act, 2014”(Act No.3 of 2014).
- Enacted on 3rd December,2014 , for implementing effective industrial clearance mechanism in the state.

How is TS-iPASS unique?

- Single-point TS-iPASS approval based on self-certification by the applicant
- Processing of all types of clearances within 30 days of receipt of application
- In-Principle approval for Mega Projects (> Rs.200 Cr.) within 15 days
- Common application form
- Grievance Redressal Mechanism
- Right to clearances
- Penalty to the officer who fails to issue the clearance within the time limits
- End to End Online System

Objectives :

Minimum inspection & maximum facilitation

Single point clearances

Speedy & hassle-free processing of clearances

Create investor friendly environment

Ensure early commercial production of projects

Addition of New Services.

TS-iPASS

Speedy processing for issuance of various licenses/ clearances/ approvals

Before TS-iPASS

1. Separate application to be filled up and submitted at department for each approval.

2. Bulky physical application involving up to 100+ documents to be submitted

3. Payments only cash/ DD/ challans that necessitated visit to different offices.

4. Multiple visits to the departments

TS-iPASS

1. Single common application form for all state level approvals and submitted online. The same is processed by all departments.

2. Rationalised attachments being sought by departments. Now, only 12 documents required for all approvals

3. Easy and safe online payments

4. Zero visits needed. End-to-end solution. Approvals can be downloaded online.

TS-iPASS

Speedy processing for issuance of various licenses/ clearances/ approvals

Before TS-iPASS

5. Delay in processing of approvals by various departments since departments insisted on NoC from other Departments to process approvals

6. Limited accountability of services and no tractability of status

7. Shortfalls/Queries being asked by different departments at different times and many a times more than once, by the same department.

8. Limited inter-departmental coordination.

TS-iPASS

5. Approvals for Mega projects within 15 days and for any other projects within a maximum time period of 30 days. Process initiated based on self-certification and all Departments process simultaneously.

6. Tracking of application is available. Toll free number to interact and track status is provided.

7. Shortfalls/queries can be raised only once by any department, that too within 3 days of online application.

8. Higher inter-departmental integration

TS-iPASS

Speedy processing for issuance of various licenses/ clearances/ approvals

Before TS-iPASS

9. Numerous inspections by several departments.

10. No consequences for delays in the service delivery

11.No provision for deemed approval

12.No penalty for official delay in according approval

TS-iPASS

9. Self / Third Party Certifications & Joint Inspections under various acts.

10. Grievance addressable system with clear penalties against officers causing delay.

11.Deemed approval in case of delay by departments.

12.Penalty imposed on official for delay in issuing approval.

Ease of Doing Business

- Ranked 1st in the Country for the year 2016
- Total score is **98.78%**
- 324 reform initiatives approved out of 340.
- 12 reforms is Not Applicable to the state
- 4 initiatives not approved.

Efforts Put-in

- 66 rounds of meetings held at state level over last 9 months.
- Number of Departments involved: 22
- Legislations amended is 26
- Number of GOs issued: 58
- Number of Circulars issued: 121
- Number of portals created / updated: 19
- *Number of online services launched: 113*
- Highest number of services launched: Labour Dept (22 services)

EoDB Reforms

Categorization of Risk – Low , Medium and High

- Low risk – Exempted from inspections
- Medium risk- 3rd party inspections
- High risk – Departmental inspections

Targeted inspections – Effective utilization of manpower

Depts: PCB, Labour, Boilers, MAUD,CT etc.,

Long term gain: Departments have begun to take a critical look at necessity of inspections. Industries department have done away with 90 % of inspections

Labor & Factories

- **Computerised scheduling inspections & Randomised allocation of Inspectors**
- **Inspection Report to be uploaded by the Inspecting Officer within 48 hours**
- **Joint Inspections: Synchronised/Joint inspections will be carried under 10 Acts (including labour and factories act) – this is a major relief to Ind. units.**
- **For Factories** Licence now can be renewed in one go with a validity up to 10 years – a major relief to units.

Self certification

- **Labour & Factories, PCB, CT -Voluntary self-certification scheme**
- **Boilers: Third party certification of boilers through competent persons**
- **Forest:**
 - **For felling exempted trees, the owner can opt for self-certification,**
 - For non-exempted trees, in case, there is no intimation to owner within 3 days of application, it shall be **deemed that the applicant is authorized to fell the trees** as requested.

Others

- **Fire:** NOC not required for residential buildings <18 meters; <15m for commercial buildings, <6 m for public conglomeration building
- **Registration & Stamps:** eSTAMP (e-Stamp duty in Telangana – Assessment, Management & Payment System)
- **Commercial Tax:** A Single Tax ID for filing of returns
- **Telangana State Pollution Control Board**
 - Exemption to green industries from any inspections.
 - Renewal period increased from 1 year to 5 years through auto renewal mode.
 - Third party certification introduced for medium risk industries and self-certification for low risk industries

A photograph of a small, rectangular, light-brown cardboard card with a hole on the left side. The card is placed on a wooden surface, possibly a tree stump, with a small black string tied through the hole. The background is a soft-focus garden scene with bright green, serrated leaves and a sandy ground. The text 'Thank you!' is written in a black, cursive font on the card.

Thank
you!
