- ❑ Total Farmers – 383
- ❑ Major Crops – Paddy, Turmeric, Maize and Bajra

## Irrigation Facilities in Nagapur

**TUBEWELL**

**SRSP  
FLOOD CANAL**

**IRRIGATION POND**

**DRIP IRRIGATION**

# Drip Irrigation

- ✓ Array of Pipes are spread over the fields near crops line. These pipes have multiple small holes beneath them that allows water to drip slowly to the roots of crops.
- ✓ Efficient water application.
- ✓ Field levelling not necessary.
- ✓ Soil erosion and weed growth lessened.
- ✓ Fertilizer and nutrient loss is minimized.
- ✓ 90% state Government Subsidy

## Challenges

1. Initial setup is complex and technical.
2. Requires high maintenance.

## Suggestion:

It gives best results combined with sprinkler irrigation systems on which government should draft a policy.

**Drip irrigation Pump and Pipes in village field**

Pic gives a message that from registration for Deepam scheme to delivery and connection, everything is online.

# PRADHAN MANTRI SAHAJ BIJLI GHAR YOJNA ( SAUBHAGYA)

**Aim :** To provide energy access to all by last mile connectivity and electricity connections to all remaining un-electrified households in rural as well as urban areas.

- Status :**
1. Each house hold in Village already had electric connections sponsored by state government and free meter connections for agricultural purposes.
  2. No awareness and knowledge about this scheme in village as not required.

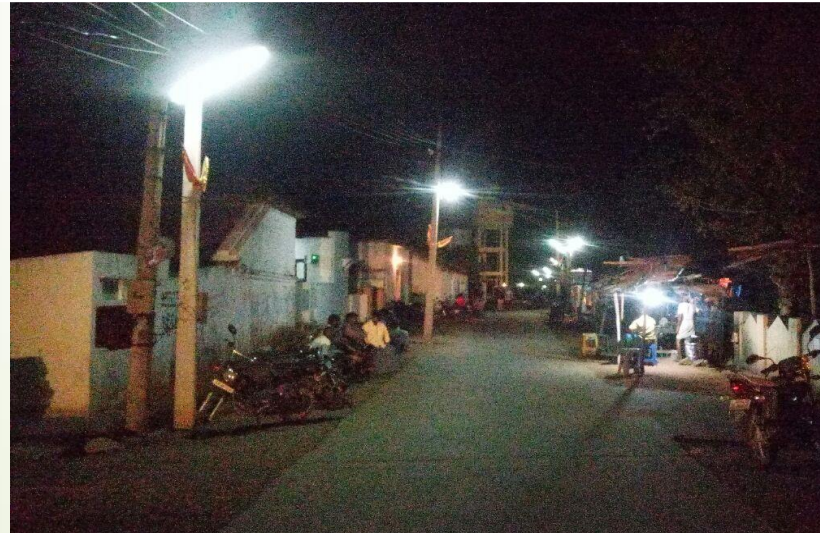

# UNNAT JYOTI BY AFFORDABLE LEDs FOR ALL (UJALA)

**AIM:** To promote efficient lighting , enhance awareness on using efficient equipment which reduce electricity bills.

- ❑ 1,65,000 LEDS have been distributed in Nizamabad district
- ❑ No awareness among villagers about this scheme. No distribution center nearby .
- ❑ The street lights in village are CFL and Tube lights only.

## PRADHAN MANTRI SURAKSHA BIMA YOJANA

- \* Accidental Insurance scheme
- \* Premium – Rs 12 per annum
- \* Risk Coverage is Rs 2 lakh

# RECOMMENDATIONS

- ▶ Provide Bank Customer Service Point or Bank Mitra in the village & participation of Bank officials in Gram Sabha.
- ▶ Effective Monitoring of schemes like Haritha Haram, Swatch bharat and others
- ▶ Effective supervision of village level institutions like Anganwadi center, PDS(Ration shop) by Gram panchayat and mandal level officials
- ▶ Library with computer facility in the school.
- ▶ Benefits of the UJALA scheme should be brought to the village.
- ▶ Replacement of Kerosene oil in PDS with other provisions like Dal, cooking oil etc.
- ▶ Setup of public utility services like Public Toilet and operative busstop.

**THANK YOU**
