Success story

Madhavi Latha is Belongs to Krishna District in Andrapradesh. She was born in middle class family and has 2 Younger sisters with her. She has some responsibilities as she was elder daughter in her family. She did part time jobs for 6 years to give financial support to family. Left her study by **SSC** and got married due to family financial problems. Her family was shifted to Hyderabad after marriage in the year of 2018. She has indestructible desire to stand on her own feet and become a strong financially. She is very devoted to learn new things. Madhavi have got information about Nirmaan/Adp vocational training center by mobilization of our team and joined. Completed successfully her course. Now she is doing work at home earning 5000 - 6000 per month by making orders from outside.
